BAHEP welcomes Jacob White Construction

BAY AREA HOUSTON, TEXAS- Bay Area Houston Economic Partnership announces its latest member of the organization, Jacob White Construction (JWC). JWC specializes in transforming environments across Aviation, Healthcare, Life Sciences, Higher Education, Commercial Buildings, and tenant improvement through high-quality construction and general contracting.

Jacob White Construction sets up a great alliance with the Bay Area Houston Partnership; Brian Freedman, President of BAHEP, shared “Jacob White Construction will be a wonderful addition to our organization, and we are pleased to welcome them. Their motto of building stories for generations is a true testament of the major development advancements they are bringing to the Bay Area Houston region, and we look forward to future collaboration with them.”

Greg Trujillo, Director of Jacob White Construction, shared Freedman’s excitement over this new alliance, “Jacob White Construction has been a proud member of the Bay Area Houston community for over 32 years and joining the Bay Area Houston Economic Partnership provides a great opportunity for us to connect with other local organizations. As a company committed to building lasting relationships and driving growth, we look forward to this collaboration and contributing to the region's continued development.”

More About Jacob White Construction

What sets Jacob White Construction apart is their ability to go beyond building spaces; they focus on the relationships they forge along the way. The team at Jacob White Construction are dedicated to creating environments that enhance lives and embody your brand.
