BAHEP welcomes Texas Regional Bank

BAY AREA HOUSTON, TEXAS – The Bay Area Houston Economic Partnership (BAHEP) proudly welcomes Texas Regional Bank as its newest member of the organization. With locations across the state, Texas Regional Bank is a community-focused financial institution offering comprehensive banking, lending, wealth management and insurance services.

Brian Freedman, President of BAHEP, commented, “A strong financial foundation is vital to the health of any region. Texas Regional Bank brings both the resources of a growing statewide institution and the community-first approach of a local bank. Their addition will be a great asset to BAHEP and the businesses and residents of this region.”

James Waguespack, the Southeast Houston Market President for Texas Regional Bank, stated “We are excited to join BAHEP and collaborate with fellow members to support economic development and business growth across the Bay Area Houston region.”

About Texas Regional Bank

Texas Regional Bank is a community-focused financial institution offering comprehensive banking, lending, trust and wealth management, and insurance services to individuals, families, businesses, and municipal entities. Their mission is to support economic growth and financial well-being through personalized service, strategic investment solutions, and innovative financial tools. They provide competitive commercial and personal banking services that are secure, reliable, and tailored to your goals.
