## **BAHEP welcomes Energy Edge Consulting**

**BAY AREA HOUSTON, TEXAS** – The Bay Area Houston Economic Partnership (BAHEP) is proud to welcome [Energy Edge Consulting](#), a trusted advisor in helping clients navigate complex energy markets, as its newest member.

Energy Edge provides consulting and advisory services for businesses to manage energy costs, risk, and sustainability. Services include energy audits, energy procurement, renewable energy consulting, demand response management, on-site generation strategies, and developing customized energy strategies for large energy consumers.

Brian Freedman, President of BAHEP, welcomed the company, stating, “Energy Edge Consulting brings a wealth of expertise at a time when energy strategy, resilience, and sustainability are more important than ever for our region’s growth. Their commitment to helping organizations make informed, future-focused energy decisions aligns perfectly with BAHEP’s mission. We are excited to welcome them into our partnership and look forward to the impact their leadership will have across Bay Area Houston.”

Matt Hobson, one of the founding Principals of Energy Edge Consulting, added, “Energy Edge joined BAHEP because we share a commitment to collaboration, integrity, and creating lasting value for our community. As a leading electricity and natural gas advisory firm, our focus on trusted relationships and innovative energy solutions aligns with BAHEP’s vision to drive regional growth and enhance quality of life.”
