About Agency 8 Recruiting

Founded in 2008, Agency 8 Recruiting is woman owned (WBEA Certified) local company servicing Houston, Austin, San Antonio and Dallas. Their experienced team of technical Recruiters are experts in the oil and gas, manufacturing, logistics, engineering, industrial, and construction industries. They are true “headhunters” finding the talent that might not be in the job market. That might look like finding a robotics engineer for an autonomous vehicle company to a process engineer for a chemical plant.

Agency 8 is also passionate about giving back to the community. They donate a proceed of their profits to Easter Seals to help children with disabilities and the Bay Area Turning Point to support families of sexual and domestic violence get back on their feet. The Agency 8 team volunteers at local colleges every year for resume and interview training to graduating senior

students. Rebecca Nutt, SHRM-CP, Agency 8 President, serves on the Board of The Bay Area SHRM chapter and the Student Liaison for University of Houston Clear Lake Hawks 4 HR SHRM chapter (Society of Human Resource Management).
