BAHEP welcomes BRPH

BAY AREA HOUSTON, TEXAS – The Bay Area Houston Economic Partnership (BAHEP) is proud to welcome [BRPH](#), a technically focused, creative architecture, engineering, and construction company with six decades of expertise in helping mission-driven clients identify gaps in their program delivery and develop innovative solutions to their most challenging problems.

BRPH primarily serves clients across a diverse range of industries with particular emphasis on the following markets: Aerospace & Government Programs, Manufacturing & Industrial, Hospitality, Education and Entertainment.

Brian Freedman, President of BAHEP, shared “BRPH brings a long history of supporting complex, mission-driven programs, particularly in aerospace and advanced manufacturing. Their experience in planning, design, and construction aligns well with the needs of companies and institutions across our region. We’re pleased to welcome BRPH to BAHEP and look forward to their contributions to the continued growth of Bay Area Houston.”

Tanya Arries, Regional Market Leader, stated, “BRPH is proud to join the Bay Area Houston Economic Partnership and engage more deeply in one of our nation’s most important hubs for space, aerospace, and advanced manufacturing & industry. We look forward to building lasting relationships that strengthen the infrastructure enabling mission success and regional growth.”

About BRPH

BRPH is a technically focused, creative AEC firm dedicated to solving clients’ most challenging problems through architecture, engineering, design, interior design, construction and mission solutions. The firm partners with mission-driven clients in the aerospace, defense, manufacturing, commercial, education, entertainment and hospitality markets to plan, design, manage and construct facilities and solutions that get the job done – beautifully and intelligently. Founded in 1964 to support the U.S. space program, BRPH is consistently ranked among the nation’s top firms and has completed a wide range of projects across the United States and throughout the world. Headquartered in Melbourne, Florida, BRPH operates regional offices in Jacksonville, Orlando and Boca Raton, Florida; Atlanta; Charleston, South Carolina; Denver;

Huntsville, Alabama; Seattle; Phoenix; Santa Barbara and Palmdale, California. For more information, visit brph.com.
